

J. BRADON ROTHSCHILD

Public Policy Specialist

📞 253-651-2472

@ Jbradonr@outlook.com

🌐 [linkedin.com/in/jbradonr](https://www.linkedin.com/in/jbradonr)

📍 Seattle, WA

RECOMMENDATIONS

"Bradon brings a larger perspective to his daily work that enriches his whole team and provides important context for why their work is so important."

Eden Shore, AmeriCorps VISTA Program Manager

"I would recommend Bradon with confidence to any organization seeking a dedicated team player, deep thinker and problem solver."

Leslie Daniels, YMCA Resource Specialist

STRENGTHS

Passionate

Public policy isn't just a job, it's intrinsic to who I am.

Inquisitive

The best solutions require asking the best questions.

Interdisciplinary

A wide-range of experience and education provides me with a well-rounded perspective.

EXPERIENCE

Graduate Finance Intern - Finance and Administration

City of Seattle Department of Transportation

📅 06/2019 - 01/2020 📍 Seattle, WA

- Researched, recorded, and described state, federal, and state laws and case law to illustrate pertinence to divisional responsibilities and authority
- Designed and performed operational analysis/quality assurance on internal operating procedures to validate alignment of practices, policies, and organizational goals
- Led in division effort to describe and codify internal policies and operating procedures, including capture and transfer of knowledge and RSJI integration
- Collaborated across departments and divisions to aggregate policies and procedures, create descriptive models and diagrams, and write narratives to help standardize procedures and divisional processes

Graduate Research Assistant - Demographic Statistical Analysis

University of Washington Tacoma

📅 05/2019 - 06/2019 📍 Tacoma, WA

- Compiled demographic statistics from ACS databases to simulate census under-counts
- Performed quality control on demographic databases to accurately represent marginalized/oppressed communities and quantify community needs for use with GIS software
- Researched federal and local spending and business strategies with bases in census informed practices to show impacts of census data with ArcGIS

EXPERIENCE

Leader - Curriculum Coordinator

AmeriCorps VISTA - Campus Compact of Oregon

📅 08/2017 - 08/2018 📍 Portland, Oregon

- Collaborated with members in performing community needs assessments and development of program resources at project sites
- Liaised with a variety of stakeholders to identify and operationalize programmatic goals and align outcomes with grantor requirements and federal regulations

Member - Career Mentor and Employment Program Coordinator

AmeriCorps VISTA - YMCA of Greater Seattle

📅 06/2016 - 06/2017 📍 Seattle, WA

- Analyzed community needs assessments to create dynamic employment services programming with a housing-first approach for the support of programs to benefit opportunity (at-risk) youth in King County
- Engaged opportunity and homeless youth participants from a variety of YMCA programs in professional development and career exploration within a housing-first practice
- Performed operations gap analysis to redesign and maximize efficacy of homeless youth employment programs
- Collaborated with employment and housing program teams to operationalize new processes
